

WHERE TO GORILLA?

Whether the job is ordinary or extraordinary, expect success the first time with Gorilla Glue and Gorilla Tape. From building, creating, to repairing and more, try these products for your projects, indoors or out, and know they are set to last.

AROUND THE HOUSE

Your original 130-year old wood railing and banister are broken. Not anymore.

Bond the edging right back to that countertop.

Secure/reattach loose backsplash or floor tiles, fast.

Your vinyl and foam hot tub cover is split down the middle.

Buy a new one? No way.

Don't throw out your huge spaghetti pot; reattach the handle instead.

Install a bathtub surround.

Spruce up the house with decorative bricks or stone - no mortar needed.

Repair the vanes on a windmill - even a big one.

Stop a 2x6 wood decking plank from splitting.

Give a stripped bolt back its bite.

Fix a broken refrigerator shelf or door.

Repair your favorite bowling trophy.

Repair a broken cabinet door or drawer.

Reattach an appliance knob or handle.

THE GREAT OUTDOORS

Mount a depth finder on your boat.

Your kid broke his snow board in half - it's fixed.

Restore a canoe.

Fix a fishing pole.

Repair a lure.

Your sail mast was cracked in a storm. Good as new.

Plug a hole in a fishing dingy.

Reattach the sole of your hiking boot. Then go.

Fix your water skis or wakeboard.

Repair a cracked or even a split oar.

Get the dock or pier back in order.

Secure tips to your arrows.

Patch worn waders.

Repair a cracked or broken picnic table. Lunch anyone?

Fix the kids' jungle gym - or even build one.

IN THE KITCHEN

Build a flagstone wall or edge around your flowerbeds.

Repair wood slats on a trellis gate.

Build some garden furniture - that's right.

That cracked fountain will soon hold water again.

Broke your neighbor's shovel? He'll never know.

Patch a leaky garden hose, quick.

The winter cold broke your best flowerpot - fix it.

Turn a concrete sidewalk into a tiled path.

Build a birdhouse.

Secure landscaping timbers - they will not move.

Build a beautiful backyard arbor.

CRAFTS AND HOBBIES

Attach decorations to an outdoor wreath.

Secure copper house numbers to a mosaic tile background.

Assemble model boats and airplanes.

Make decorative flip-flops - be creative.

Attach seashells to baskets, buckets, pails, hats or whatever.

Embellish a dull picture frame.

Decorate your scrapbook covers with metal, leather or wood.

Add cut metal shapes to a lampshade.

WOODWORKING/ FURNITURE

Your family heirloom is deemed beyond repair. Don't believe it.

Stabilize those wobbly chair and table legs.

Repair the cracked claw foot on your antique couch.

Build furniture, any furniture.

Repair broken musical instruments - from guitar necks to pianos.
